JOIN SRI VENKATESHWARA UNIVERSITY AS AN INDUSTRY TRAINING PARTNER (ITP)

Sri Venkateshwara University welcomes institutions, organizations, and training providers for strategic collaborations that share the University's vision of promoting quality, accessible, and industry-oriented education. Through the Industry Training Partner (ITP) initiative, we focus on bridging the gap between academic learning and industry requirements by providing students with practical training, skill development, and real-world exposure.

Our objective is to guide learners toward the right educational and career pathways while enhancing their employability through industry-integrated programs. This mutually beneficial partnership enables organizations to contribute to workforce development, support skill enhancement initiatives, and create meaningful opportunities for aspiring professionals.

Together, Sri Venkateshwara University and its Industry Training Partners (ITPs) strive to empower students with the knowledge, skills, and experience required to achieve professional excellence and long-term career success.
